## JOHN STORER HOUSE FOUNDATION

### REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

---

The trustees present their report and the financial statements for the year ended 31 March 2021.

#### **REFERENCE AND ADMINISTRATION INFORMATION**

The name of the Charity is John Storer House Foundation.

The Charity's registered number is 521460.

The Charity's principal address is John Storer House, Wards End, Loughborough, Leicestershire, LE11 3HA.

The trustees and the names of the bodies which appointed them were:

#### **Appointed by Charnwood Borough Council:**

Cllr J Bokor

Mrs M Smith (Deceased June 2020)

#### **Appointed by Loughborough Welfare Trusts:**

None

#### **Appointed by John Storer Charnwood:**

Mr R J Hassall (Treasurer)

Mrs S Forrest

Mr D C Hogg

Mr I Stewart (Chair)

#### **Appointed by Leicestershire County Council:**

None

The Charity's bankers are Unity Trust Bank, 9 Brindley Place, Birmingham, B1 2HB and National Westminster Bank PLC, Market Place, Loughborough, Leicestershire

The Charity's solicitors are Moss Solicitors, 80-81 Woodgate, Loughborough, Leicestershire, LE11 2XE

The Charity's Accountants are Evolve Accountants and Business Advisors Ltd, Unit 10 Phoenix Park, Telford Way, Coalville, Leicestershire, LE67 3HB

**JOHN STORER HOUSE FOUNDATION  
REPORT OF THE TRUSTEES FOR THE  
YEAR ENDED 31 MARCH 2021 (Continued)**

---

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Governing Document**

The Charity was established by a Deed of Conveyance dated 14 October 1965 of the land upon which John Storer House stands upon trust for use as a community and welfare centre and any other charitable purpose for the benefit of the community in the area.

### **Recruitment and Appointment of Trustees**

The trustees are appointed by statutory and voluntary bodies. In addition to this, the trustees may co-opt two further trustees.

### **Trustee Induction and Training**

New trustees receive appropriate induction and training when appointed and on-going training in conjunction with training provided to the trustees of John Storer Charnwood.

### **Risk Management**

The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to minimise these risks. With all trading responsibilities now in JSC, the personal liability of JSHF charity trustees is now more protected than before.

### **Organisational Structure**

The trustees meet jointly with the trustees of John Storer Charnwood (JSC) and govern the charity.

Following the departure of the Chief Executive in February 2015, the Board appointed two Directors; a Director of Business Development and a Director of Corporate Services to ensure continuity of management cover. The Director of Corporate Services also acts as Secretary to the Charity.

The trustees have introduced systems of internal control that are designed to provide reasonable, but not absolute, assurance against material mis-statement or loss. They include:

- A business plan and an annual budget approved by the trustees.
- Regular consideration by the trustees of financial results, variance from budgets, non-financial
- performance indicators and benchmarking reviews.
- Delegation of authority and segregation of duties.
- Identification and management of risks.
- 

### **Objectives and activities**

The charity provides John Storer House for use as a community and welfare centre and any other charitable purpose for the benefit of the community in the area in which the building is located.

In 2013 a lease was entered into between John Storer House Foundation as Landlord, and John Storer Charnwood as tenant. The activities which were previously carried on by JSHF were all transferred to JSC on the 1 April 2013 and the trustees of JSHF are now responsible for ensuring that JSC implements the necessary activities that would satisfy the charitable aims and objectives of JSHF. A new two-year lease was signed by the Trustees in March 2019.

**JOHN STORER HOUSE FOUNDATION  
REPORT OF THE TRUSTEES FOR THE  
YEAR ENDED 31 MARCH 2021 (Continued)**

---

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

**Achievements and Performance**

John Storer House is based in the centre of Loughborough and offers an accessible, welcoming, safe and relaxing venue open to the whole community for formal meetings and informal contacts. It offers resources to community groups, ranging from rooms to meet in, to signposting and equipment. In 2011 the new roof was installed on the main parts of JSH and a new Café area created. Further ongoing refurbishment has achieved opportunities for new uses and users with changes of room layouts completed to enable the best use of the premises.

The trustees of JSHF are satisfied that JSC has successfully implemented activities to achieve the aims and objectives of JSHF. A full explanation of the activities carried on by JSC can be found in the accounts of that charity. Whilst the Charity's financial position remains satisfactory, it continues to operate under financial pressure. The arrangement with John Storer Charnwood continues to be successful.

**Financial Review**

Incoming resources for the charity decreased in the year from £4,158 to £3,443. Resources expended decreased from £25,995 to £21,474. This resulted in a net deficit of £18,031. The unrealised gain on investments of £15,677 gave a total retained deficit of £2,354 reducing total funds to £239,079. The total funds include tangible fixed assets of £156,973.

The movement in net current assets was from £17,049 to £19,058 an increase of £2,009.

**Plans for Future Periods**

John Storer house provides JSC with office facilities, an appealing and popular community café, rentable spaces for other organisations to provide support and services to individuals and groups, and remains a safe and reliable community hub where people access information signposting and support. We do, however, need to ensure that the house is compliant, fit for purpose and well placed to operate in an ever increasing competitive market. We will, therefore, need to continue to provide routine maintenance but also implement a building development plan over the next few years.

It is acknowledged by the trustees that JSH provides JSC with a significant asset providing future sustainability and business growth. The room hire team continue to work hard to make best use of the building to maximise income generation through room hire. Priority is given to voluntary and community hirers that contribute to our charitable aims and where business hire is agreed we ensure that the income is used to sustain the core functions of the charity reducing our reliance on grants.

**JOHN STORER HOUSE FOUNDATION  
REPORT OF THE TRUSTEES FOR THE  
YEAR ENDED 31 MARCH 2021 (Continued)**

---

**Reserves**

The trustees have reviewed the reserves held by the John Storer House Foundation as at 31 March 2021. This review encompassed the nature of the income and expenditure streams, the need to match variable income with fixed commitments and the nature of the reserves.

The review concluded that the charity needs reserves both to enable it to progress its long term aims and to protect its current activities, in order to allow the trustees to meet their responsibilities and ensure that it continues to operate on a going concern basis. The trustees have examined the needs, risks and challenges faced by the charity, in both the short, and medium term, and have formulated a policy to meet those needs, which are satisfied by the level of unrestricted reserves of £231,520 at the balance sheet date, £59,388 being general free reserves. The total of unrestricted reserves includes £156,973 in respect of Tangible Fixed Assets which is not their realisable value (see note 7).

The reserve levels for JSHF as landlord have been reviewed across all three reserves, restricted, unrestricted designated, and unrestricted general free reserves. The main intention is for no planned expenditure from JSHF reserves, other than where grant income comes into the designated building maintenance and improvement fund, and is spent accordingly, as happened in the year ended 31 March 2013. A new Joint Reserve policy has been agreed.

The trustees have concluded that they need unrestricted designated reserves to cover exceptional maintenance items and improvements. This will apply where the cost of the works is likely to be beyond the resources of JSC and cannot realistically be met by grants and fundraising.

**Investment Policy**

The trustees have the power to invest in such assets as they see fit.

**JOHN STORER HOUSE FOUNDATION  
REPORT OF THE TRUSTEES FOR THE  
YEAR ENDED 31 MARCH 2021 (Continued)**

---

**RESPONSIBILITIES OF THE TRUSTEES**

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the financial activities of the charity during the year and of the financial position of the charity at the end of the year.

In preparing financial statements giving a true and fair view, the trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees have overall responsibility for ensuring that the charity has an appropriate system of controls, financial and otherwise. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ensure that the financial statements comply with applicable regulations. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities and to provide reasonable assurance that:

- the charity is operating efficiently and effectively;
- its assets are safeguarded against unauthorised use or disposition;
- proper records are maintained and financial information used within the charity or for publication
- is reliable;
- the charity complies with relevant laws and regulations.

This report was approved by the trustees on 1 December 2021.

**On behalf of the trustees**

**I STEWART (Chair)**

**R J HASSALL (Treasurer)**

## **INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF JOHN STORER HOUSE FOUNDATION**

---

I report on the accounts of the charity for the year ended 31 March 2021, which are set out on pages 7 to 16.

### **Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and
- to state whether particular matters have come to my attention.

### **Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

### **Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- 1) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 130 of the Charities Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
- 2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

# JOHN STORER HOUSE FOUNDATION

## NOTES TO THE FINANCIAL STATEMENTS

---

### 1. ACCOUNTING POLICIES

#### Basis of Accounting

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

#### Fixed Assets

All assets costing more than £1,000 are capitalised.

Fixed assets are stated at cost less depreciation. Depreciation is calculated to write down the cost of tangible fixed assets to their estimated residual values over their estimated useful lives at the following annual rates:

Freehold land and property and improvements to property	Over the useful life of the property (see below)
Plant and machinery	5% & 10%
Office furniture and equipment	20%

During the year ended 31 March 2011 the charity engaged an independent surveyor to assess the freehold property. The survey concluded that the useful life of the property, following the major refurbishment work undertaken from April 2011, would be 20 years. Accordingly, from the 1 April 2011 the net book value of the property at that date was to be written off over this period with any future major works being depreciated over the remaining period. This represented a change from the previously used depreciation rates on property but it is considered appropriate given the professional advice received.

No value is ascribed to the land upon which John Storer House stands since it is held by the Foundation upon charitable trust for the purpose of a "community and social welfare centre". If that purpose ceases to be fulfilled, the local authority is entitled to re-purchase the land for a nominal sum.

## JOHN STORER HOUSE FOUNDATION

### NOTES TO THE FINANCIAL STATEMENTS (Continued)

---

#### 1. ACCOUNTING POLICIES (Continued)

##### Incoming Resources

All incoming resources are included in the Statement of Financial Activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income :

- Voluntary income is received by way of donations and grants and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity are recognised when the charity becomes unconditionally entitled to the grant.
- Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.
- Investment income is included when receivable.

##### Resources Expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes VAT, where it cannot be recovered due to partial exemption rules, and is reported as part of the expenditure to which it relates:

- Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of fundraising purposes.
- Charitable activities expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountant's fees and costs linked to the strategic management of the charity.
- All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis to reflect the use of the resource. Costs relating to a particular activity are allocated directly. The resources expended in the operation of the Charity's central services system and central office which cannot be directly allocated are apportioned between the expenditure categories on the basis of the estimated amount of staff time involved in each activity.

## JOHN STORER HOUSE FOUNDATION

### NOTES TO THE FINANCIAL STATEMENTS (Continued)

---

#### 1. ACCOUNTING POLICIES (Continued)

##### **Operating Leases**

Rentals applicable to operating leases where substantially all the benefits and risks of ownership remain with the lessor are charged to the Statement of Financial Activities as charged.

##### **Taxation**

Taxation has not been provided on the result for the year of the Charity on the grounds that Section 505 of the Income and Corporation Taxes Act 1988 or S252 of the Taxation of Chargeable Gains Act 1992 applies to the extent that these are applied to its charitable objects.

##### **Investments**

Investments have been included in the accounts at their market values.

##### **Funds accounting**

Funds held by the charity are:

*Unrestricted general funds* – these are funds which can be used in accordance with the charitable objects at the discretion of the trustees.

*Designated funds* – these are funds set aside by the trustees out of unrestricted general funds for the specific future purposes or projects.

*Restricted funds* – these are funds that can only be used for particular purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the accounts.

## JOHN STORER HOUSE FOUNDATION

### NOTES TO THE FINANCIAL STATEMENTS (Continued)

---

#### 14. CONNECTED CHARITY

The affairs of John Storer House Foundation (JSHF) are closely connected with those of John Storer Charnwood (JSC) in that there is some overlap of membership between the governing bodies of the two Charities.

The financial affairs of the two charities are closely linked and this results in a sum due from JSHF to JSC:

	<b><u>2021</u></b>	<b><u>2020</u></b>
Due to John Storer Charnwood	<u>£188,803</u>	<u>£56,803</u>

The 2021 sum due from JSHF to JSC includes £132,000 invested in JSHF by JSC in respect of the aim of trying to keep within FSCS Compensation Limits.
